

Red Wing Bridge Project

SIDEWALK CLOSURE & DETOUR THROUGH JUNE 2019

UPDATED JANUARY 2019

The sidewalk on both sides of Third St. between Potter St. and Plum St. is closed through June 2019. The Potter St. crossing of Third St. is open to traffic and pedestrians during the slip ramp construction. When the Potter St. crossing is closed, pedestrians will need to use the sidewalk on the west side (Behrens) of the street to cross because the sidewalk on the east side (Red Wing Shoe Co.) of the street will be closed.
